

# Bridgeville Athletic Association

## Committee Selection Form

In order to continue the Bridgeville Athletic Association's Baseball and Softball, we are asking each family to contribute time for the benefit of all. The need is so critical that without your willingness to contribute your time, we will not be able to do everything planned to make this a successful 2009 season. It is especially true this year with the final stages of the new field to be completed.

Each committee has a need. Please choose 2 committees on where your experiences and talents would be most beneficial to the success of this year's upcoming season.
