

Concession Stand Duty

The Bridgeville Athletic Association is a non-profit organization that depends upon the participation of its members to make it successful. One of the responsibilities during the season and tournaments is working in the concession stand. ***To truly make the 2011 season an outstanding one for your children, the BAA needs your cooperation with the following:***

- Parents/Guardians are required to work two shifts for each child playing during the 2011 season: 1 child =2 shifts, 2 children=4 shifts.
- Each shift runs approximately 2 ½ hours. Monday through Friday shifts will typically run 6:00-8:30 and 8:00-10:30. Saturday shifts usually begin at 9:00 and go continuously throughout the day.
- Parents/Guardians are responsible for scheduling their shifts. Scheduling will be based on a first come/first serve system.
- Since this is not southern California, rainouts will occur!! If your shift is rained out, you are responsible for rescheduling. A rainout does not count toward your worked shifts.
- Buyouts are available at \$40.00 per child. The buyout fees allow us to pay for workers to cover unfilled shifts.
- We have had many students interested in earning community service time! We are thrilled to be able to provide this opportunity. However, a parent/guardian **must** accompany the student.
- If at all possible, we would prefer to do the scheduling via e-mail. We are working on an interactive system. The shifts will be posted and give you the ability to request those shifts. The shifts will be continually updated as games are rescheduled and added. The final game schedule is usually not complete until two weeks prior to the season starting. We will send a group e-mail letting you know that scheduling is now available.
- If your child is selected to play in the All Star Tournament, additional shifts will be required. The same buyout fee is available.
- If you do **not** work your shifts and have not paid the buyout fee, the fee will be added to your registration the following year. We have so many parents that volunteer their time, it is simply not fair for those who do not. Any revenue generated is made possible by the volunteers, please do your part for the kids of the BAA.

The BAA would like to thank you in advance for your continued support and involvement!
